

SPONSORSHIP PROPOSAL FOR CAREER INTENTIONS SURVEY

WLANSW offers the following packages of sponsorship for our Career Intentions Survey initiative. These packages of sponsorship involve a once off financial contribution during the three year sponsorship period.¹

Sponsors might also be prepared to host or contribute to the hosting of events organised by WLANSW to promote awareness of the Career Intentions Survey. This could include the provision of a venue and/or catering. Acknowledgement of the sponsor(s) on the event flyer and promotion will be commensurate with the sponsorship contribution.

Sponsorship of the Career Intentions Survey project and events associated with the Career Intentions Survey project is separate to general sponsorship of WLANSW and WLANSW events and forums. Information about general sponsorship of WLANSW and WLANSW events and forums is available in the Sponsorship Proposal for WLANSW and WLANSW Events.

We welcome the opportunity to discuss these matters with you.
