'The Power of Two' Job-Share Resource Guide Launch

Guest Speaker: **Kate Mills, CEO of ProfessionalMums.net**

12.30 for 12.45pm start - 2pm Thursday 14th May 2015

McCullough Robertson Lawyers, Level 16, 55 Hunter Street, Sydney

Job-sharing is a type of flexible working arrangement that can offer women more potential for career advancement than part-time roles.

Please join us for the launch of this initiative which we are proud to support in conjunction with ProfessionalMums.net. In this publication, Kate has drawn on the experience of 10 job-sharers working in the legal profession. She has outlined the benefits – to both employers and employees – of job-sharing in a clear and persuasive manner. In addition, she has helpfully identified practical tips and resources for both employees and employers interested in implementing job-sharing.

Kate Mills (pictured) worked in the media for 20 years with her most recent role as editor of BRW. She started her career in legal journalism in London and has followed the changes in the professions ever since. Over that time she has seen how hard it is for mothers to remain working in the profession and established ProfessionalMums.net in 2013 as a platform to connect highly skilled women with flexible work opportunities. Kate is also the CEO of the Financial Executives Institute, a not-for-profit focused on mentoring.
